## Frank Leisten

M.A.

AGIT – Aachener Gesellschaft für Innovation  
und Technologietransfer mbH

Head of inward investment

Frank Leisten, born in 1969 in Aachen studied economics and geography at the RWTH Aachen. After graduating from the University he worked for two years in the planning department of the Aachen county.

From 1999 to 2010 Mr. Leisten worked for the economic development agency of Mecklenburg-Vorpommern, one of the new German Länder.

In 2011 he moved back to his home city Aachen and started working for AGIT, the regional economic development agency for the Aachen Region.

Mr. Leisten informs German but also international companies about the Aachen Region and provides general and special information to interested companies like possible research partners and suitable locations where companies can settle. Mr. Leisten helps to organize meetings with potential partners and supports companies through the whole settlement process.

Since 2013 Mr. Leisten is active in Korea and travels once or twice a year to Korea to inform Korean companies about the advantages that the Aachen Region offers.
